

Digest of Ethics Advisory Panel  
Opinion #91-75, Request #195  
Issued October 30, 1991

An attorney seeks Panel advice as to whether an advertisement seeking parties to a class action is proper.

The comment to Rule 7.2 of the Rhode Island Rules of Professional Conduct notes that soliciting class action members is not prohibited. Therefore the proposed advertisement is proper as long as the requirements of Rule 7.3 are followed.
