

DIGEST OF ETHICS ADVISORY PANEL

Opinion #92-3, Request #209

Issued January 14, 1992

An attorney seeks Panel advice as to division of legal fees pursuant to an agreement between the attorney and another attorney which was made before the other attorney was suspended from the practice of law.

The Panel takes the position that the fees owed to the suspended attorney are determined by quantum meruit, based on the work performed before suspension. See digest of opinion #91-71.
