

ADMINISTRATIVE ORDER #91-1

RE: SUPPORT PAYMENTS PAYABLE THROUGH RHODE ISLAND FAMILY COURT

In all matters before this Court where it is ordered that payments of support are to be made through the Family Court, the prevailing party, upon the completion of the support hearing, shall immediately submit to the Reciprocal Office the necessary CSS-1 form that is needed to set up a collection account. Failure to do so will result in the payee not receiving the support that is due in a timely fashion. Either party shall submit as soon as possible for entry by the Court written decrees or orders incorporating the court orders or the agreement of the parties.
