

Supreme Court
No. 97-348

City of Providence :

v. :

Constantine Favasole :

ORDER

Constantine Favasole has filed with this Court a document, captioned “appeal by writ of certiorari,” whereby he has purported to invoke this court’s appellate jurisdiction in respect to an order of the Providence Housing Court. Upon examination of this document, we conclude that it is not an appropriate procedural vehicle for obtaining this Court’s review of a Providence Housing Court matter.

Accordingly, the appeal by writ of certiorari is hereby denied and dismissed as procedurally improper.

Entered as an Order of this Court this *18th* day of *January, 2001*.

By Order,

Brian B. Burns
Clerk, Pro Tempore
