

Supreme Court
No. 96-158-Appeal.

Rocco Gesualdi et al.

v.

Zoning Board of Review of the City of
Pawtucket.

Maurice L. Caron, Sr., et al.

v.

Pawtucket Zoning Board of Appeals,
et al.

ORDER

This case came before the Supreme Court on September 21, 1999, on the petition of Rocco and Susan Gesualdi, d/b/a Darlington Residential Care, to review a judgment of the Superior Court that reversed and revoked a certificate issued by the Pawtucket Zoning Board of Review, authorizing the operation of an eight-bed facility by the Gesualdi's.

At oral argument in open court, counsel for petitioners withdrew their petition, thereby rendering this matter moot.

Therefore, the petition for certiorari having been withdrawn, the judgment of the Superior Court is affirmed, and the papers in the case may be returned to the Superior Court.

Entered as an Order of this Court this day of October, 1999.

By Order,

Brian B. Burns

Clerk Pro Tempore
