

Rule 7. Electronic Signatures and Document Authenticity

- e. *Documents Requiring Signature of Opposing Parties:* When a document to be filed electronically requires the signatures of opposing parties, the party filing the document must first obtain the signatures of all parties on the hard copy paper form of the document. The hard copy paper form of the document bearing the original signatures must be scanned and electronically submitted for filing in a format that accurately reproduces the original signatures and contents of the document. By electronically filing the document, the attorney or self-represented litigant attests that the documents and signatures are authentic.
