

Rule 8. Non-public Filings

- a. Overview: Parties may not submit filings containing information that is designated as non-public by federal or state law, court rule, court order or case law and/or which contain Personal Identifying Information as part of a public document. With the exception of *in camera* reviews when necessary, the courts will not review each document to ensure compliance with this rule and are not responsible or liable for the inclusion of such information in an electronically filed document.
