EXECUTIVE ORDER

Pursuant to the authority vested in the Chief Justice of the Rhode Island Supreme Court by G.L. 1956 (2012 Reenactment) § 8-15-2, the deadline for annual attorney registration for this registration year is hereby extended to August 1, 2019. In accordance with Article IV, Rule 1(a) of the Supreme Court Rules, on or before July 1 of each year attorneys are required to submit an annual registration and pay an annual registration fee to this Court. On October 9, 2018, the Court launched a new enhanced Rhode Island Supreme Court Attorney Portal (RISCAP) for attorney registration and other attorney-licensing needs. Annual attorney registration for the 2019 – 2020 cycle is currently underway on the new RISCAP system. As of the date of this Order, a majority of the registering attorneys have created accounts and successfully submitted their annual attorney registrations on RISCAP, however some attorneys have indicated a need for additional assistance navigating through RISCAP and completing their registration. In order to adequately assist these attorneys the registration deadline for this registration cycle is extended to August 1, 2019.

Accordingly, all attorneys shall file their annual attorney registrations with this Court by August 1, 2019. Consistent with Article IV, Rule 1 (d), attorneys who do not register by the deadline will be assessed a \$125 late fee and will be removed from the Master Roll of Attorneys for failure to comply.
