EXECUTIVE ORDER
COVID-19 Pandemic Response – Wearing of Face Coverings

The State of Rhode Island, like other states throughout the nation, has begun to see a notable decrease in COVID-19 cases and fatalities. Pandemic-related restrictions have concomitantly begun loosening throughout the state. In recognition of this positive trend, Executive Order 2021-06, which replaced § 2(A)(2) of Executive Order 2021-04, is hereby superseded in its entirety pursuant to the authority vested in me by G.L. 1956 § 8-15-2 of the Rhode Island General Laws. No person entering a judicial building shall be required to wear a face covering or mask, regardless of vaccination status. The remaining provisions of Executive Order 2021-04 shall continue in effect until further notice.

Entered as an Executive Order this 4th day of March 2022.
