

Supreme Court

In re Amendment to Article IV, Rule 1 :
(Periodic Registration of Attorneys – :
Annual Attorney Registration Deadline :
Extended)

ORDER

On or before July 1 of each year attorneys are required to submit an annual registration and pay an annual registration fee to this Court. Art. IV, Rule 1(a). The annual registration cycle typically opens each year by mid-May. The opening of the 2018 – 2019 annual attorney registration has been delayed as the Court has been working to convert to a new online portal for attorneys to submit their annual attorney registrations electronically. The conversion to a new online portal has now been delayed until later this year. In light of the late opening of the 2018 - 2019 attorney registration cycle, this year’s registration deadline is hereby extended to September 1, 2018.

Accordingly, all attorneys shall file their annual attorney registrations with this Court by September 1, 2018. Consistent with Article IV, Rule 1 (d), attorneys who do not register by the deadline will be assessed a \$125 late fee and will be removed from the Master Roll of Attorneys for failure to comply.

Entered as an Order of this Court this *18th day of June 2018.*
