

1.7. ELECTRONIC FILING OF DOCUMENTS. When using the EFS:

(A) All Case Initiating Document(s), including any required documents, attachments, or exhibits, shall be submitted individually as separate files within the same initial submission or filing;

(B) All subsequent pleadings, motions, and other papers, shall be submitted individually with related documents submitted as separate files within the same submission or filing (for example, a motion and memorandum or other supporting attachments or exhibits filed in support of a motion); and

(C) Categories of items such as bills, receipts, invoices, photographs, etc. may be submitted in one attachment or exhibit.

For specific requirements, see the Workers' Compensation Court's Electronic Filing System Guidelines.
