Instructions for Version 12 and above blocking or allow a Single Website:

NOTE: Earlier versions of Safari will not allow for single website blocking. You will have to allow pop up blockers to view ROA and Documents.

1. Visit the website you would like to block or allow.
2. Select **Safari > Preferences**.
3. Select on **Websites** at the top of the window.
4. Select **Pop-up Windows** on the left side.
5. The website should be listed where you can select one of the following in the drop-down menu:
 - **Block and Notify**
 - **Block**
 - **Allow**
