Offer made for Westerly Hospital

May 30, 2012: The lawyer appointed by the Superior Court to oversee the receivership of The Westerly Hospital today filed a petition for a judge to consider an offer of \$69.1 million from a Connecticut hospital as a starting bid.

The offer from Lawrence & Memorial Hospitals of New London, Conn., includes several commitments to maintain The Westerly Hospital as a local community hospital, and addresses staffing, liabilities, investments, and other concerns. At least two other hospital entities have expressed interest in acquiring The Westerly Hospital.

Washington County Superior Court Associate Justice Brian P. Stern will have a hearing on the petition on June 13.

The 110-page petition can be found [here](#).
