## **Garrahy courthouse to close 30 minutes early**

**December 7, 2018:** Effective Monday, December 17, courts at the Garrahy Judicial Complex will close at 4:00 p.m. each day until further notice.

This adjustment is being made in light of concerns for the safety of the public and employees at the Garrahy Complex during the construction of the parking garage behind the courthouse.

The change affects hours of court operation at the Garrahy Complex only.
