## 1.0 Overview

The Administrative Office of State Courts (the AOSC) is seeking a vendor (the Vendor) to design and implement a new public internet site for the Rhode Island Judiciary (the Judiciary) that will provide an intuitive interface and facilitate improved public service for all users, but particularly for self-represented litigants (SRL). The new website should be a secure and reliable HTTPS-enabled environment with rapid download times that will allow users to navigate and quickly find resources and desired information using any internet-connected device, including full support for mobile devices (e.g. readable on any device). Self-help and information resources geared toward SRL should be front-loaded where SRL most commonly visit the website. The website must also adhere to all Americans with Disabilities Act (ADA) accessibility compliance standards and requirements (including, but not limited to, Section 508 and World Wide Web Consortium (W3C) Priority 1 Checkpoints, accessible at <http://www.w3c.org/TR/WCAG10/full-checklist.html>) and have Multilingual Resources. The Judiciary's current website content and internal intranet must be migrated onto the new website framework.

Use of a Microsoft SharePoint Technologies (2019) infrastructure for this project is preferred; notwithstanding, reliable alternative framework software that offers minimal content management effort and robust configuration tools will also be considered.

The Judiciary reserves the right to buy additional software and services from the awarded Vendor for up to thirty-six (36) months from date of award.

## 2.0 Scope of Work

### A. Current Website Infrastructure

The Judiciary's current website infrastructure is as follows:

- Web Address: <https://www.courts.ri.gov>.
- Webserver: Runs on a Microsoft SharePoint Server using SharePoint Foundation 2013.
- Forefront Threat Management Gateway: Version 7.0.9193.540.
- IIS Web server version: 8.0.9200.16384.
- The Judiciary has a staging/development server as well as two load balanced production servers.
  
- Intranet Webserver: Runs on Windows Server 2012 R2.
- HTML pages designed using Microsoft FrontPage 2003 editor.

### B. Project Scope

#### 1. Site Migration

Carla Ciccone  
Purchasing Agent  
Rhode Island Supreme Court

The selected Vendor shall be required to perform all the following:

- Complete migration of the Judiciary's current website content onto a new, highly available infrastructure based on the Microsoft SharePoint Technologies (2019) framework or a reliable alternative framework that offers minimal content management effort and robust configuration tools. The continued use of SharePoint is preferred (although other software technology that is as easy as SharePoint to manage will be considered) because SharePoint's flexibility has enabled the Judiciary to manage content with minimal reliance on external resources.
  - As part of the migration process, the selected Vendor's SharePoint architect (or similar software) must be able to analyze all current customizations within the Judiciary's current website, with the goal of migrating this functionality to standard SharePoint 2019 features (or similar software) where feasible. Automated content migration from the existing site to the new website is required once redesign is complete.
- Design and build a new website using an agile development approach, thereby enabling feedback and iterations to ensure the best final product. The new site must have the following characteristics and capabilities:
  - Functionality among all major browsers and operating systems, including all the following:  
  
Browsers:
    1. Firefox
    2. Chrome
    3. Safari
    4. Edge  
Operating Systems:
    1. Microsoft Windows
    2. Apple OSX
    3. Linux
    4. Apple IOS
    5. Google Android
  - Readability on any internet-connected device, including PCs, laptops, tablets, and mobile phones.
  - Configurability that allows for delegated content management and approval/publish processes.
  - Full compliance with all accessibility requirements, including all applicable ADA regulations and World Wide Web Consortium (W3C) Priority 1 Checkpoints, accessible at <http://www.w3c.org/TR/WCAG10/full-checklist.html>.
  - Robust search functionality.

- Implementation of announcement services and content subscription services, to alert users of important news, site changes, etc.
- Searchable PDFs, including searchable Opinions, Orders, and Decisions for each individual court.
- Fillable Judicial Record Center Archives Request form that transmits directly to the Judicial Records Center for processing.
- Real-time monitoring and alert services to notify key personnel if the site is not available.
- As little custom coding as possible to allow Judiciary programmers to implement and maintain daily site updates/changes.
- Upgrading the Microsoft Forefront Threat Management Gateway if SharePoint is used.
- Provision of documentation, instruction, and training for both technical and non-technical staff. This must include the following:
  - Documentation is expected to be provided in such a form that would allow for recreation of the installation and configuration work of the project.
  - Instruction/training must allow staff to maintain the SharePoint 2019 (or similar software) installation and configuration as documented. This includes instructions/training for backup and restore SharePoint (or similar software). The selected Vendor must test the backup and restore features for functionality/accuracy before the AOSC will accept the new website.
- The new website design must prioritize accessibility, navigability, and functionality for SRL. Features must include the following items as identified in a recent audit by the National Center for State Courts:
  - Searching for “Rhode Island Courts” or “Rhode Island Judiciary” must bring up the new website in Google and other search engines.
  - The website must be easy to use on a mobile device.
  - The links to the “ADA” and “Your Day in Court” should be listed prominently at the top of the main landing page.
  - The link to the “Interpreters” section of the website should be listed prominently at the top of the main landing page and should open into a drop-down menu displaying in multiple languages. When a user interacts with the “Interpreters” link, a graphical or other indicator should appear explaining that the link provides resources for assistance in other languages.
  - The link to the “How Do I?” should be listed prominently at the top of the main landing page. The “How do I?” links should be reordered by the commonality of the question.
  - A landing page for links and contact information for other legal resources in the State of Rhode Island should be created, with a link listed prominently at the top of the main landing page. Priority/favoritism should not be given to any one resource; rather, all information should be displayed in a directory format.

In preparing a bid, each Vendor is expected to review the Judiciary's current website and Intranet closely to ensure that the true project scope is identified, including an enumeration of the current site's individual pages. Although the AOSC recognizes that there is a possibility that site migration onto a Microsoft SharePoint Technologies (2019) framework or similar software may cause minor discrepancies between the current site and the new site, any such discrepancies must be identified prior to implementation.

- Hardware, software, and other licenses are the AOSC's responsibility. The selected Vendor may assume in the bid that these will be available at project commencement. Each Vendor will include hardware and software requirements needed for the project in the bid.

## 2. Post-Migration Maintenance, Monitoring, and Support

Following migration of the Judiciary's current site onto a new framework, the selected Vendor is expected to provide ongoing, proactive maintenance and monitoring of and support for both the Microsoft SharePoint Technologies (2019) framework or similar software installation as well as the physical server(s) on which the software runs, to ensure the proper and continuous operation of the new website consistent with the business-critical nature of the websites. These services may include, but may not be limited to, the following:

- SharePoint 2019 and Server;
- SharePoint 2019 tuning to optimize response times and end-user experience;
- SharePoint 2019 branding and templating;
- SharePoint 2019 web part design and programming; and
- SharePoint 2019 workflow design and programming.

Such maintenance, monitoring, and support must be done with sufficient detail to ensure that any issue impacting the presentation and/or response times of the site or the individual components is immediately identified and addressed. The selected Vendor must be able to provide assistance within a reasonable timeframe depending on the priority/urgency of the issue at hand. As a rule of thumb, the following response times shall be expected:

- For issues impacting the operation of the whole main website and/or sub-sites: respond within two (2) hours;
- For issues impacting individual pages or page components (web parts): respond within five (5) hours;
- Answering specific and immediate questions: respond within one (1) workday;
- Making minor changes with system-wide appearance: respond within two (2) workdays; and

- All other issues: respond within five (5) workdays.

In addition to the foregoing services, each Vendor is encouraged to explain in the bid any additional maintenance, monitoring, and/or support services the Vendor may be able to provide.

### **C. Project Timeline**

The AOSC recognizes the need to keep the time between project commencement and delivery of the new website as short as possible in order to limit the time period during which the current and new websites must be maintained simultaneously. Accordingly, the AOSC seeks a Vendor to complete the project in no more than six (6) months, to be defined as the period between the day the selected Vendor commences the project and the day the AOSC accepts the new website.

Each bidder should provide a breakdown of the expected project timeline in its bid, preferably broken down into project phases. The total project timeline should not exceed six (6) months in duration.

### **D. Acceptance Process**

Prior to commencement of the project, the AOSC will work with the selected Vendor to craft a comprehensive acceptance test plan that will be executed at appropriate milestones during the project timeline. The acceptance test plan will determine to what extent each milestone meets the agreed-upon acceptance criteria. The AOSC will not consider the selected Vendor to have fully completed all obligations under this RFP unless and until all project milestones have been satisfied in full.

### **E. Vendor Qualifications**

The selected Vendor must have a proven track record of successfully developing business-driven web applications for customers similar to the AOSC and completing relevant web implementation projects for at least the last three (3) years (five (5) years of experience or more is preferable), preferably through leveraging Microsoft SharePoint software development technologies or similar software. Projects are regarded relevant when the Vendor was responsible for design, migration, management, and implementation of the project and the project was completed successfully.

The selected Vendor must have a qualified Microsoft SharePoint Team with proficiency in site design, ADA compliance, World Wide Web Consortium (W3C) Priority 1 Checkpoints (accessible at <http://www.w3c.org/TR/WCAG10/full-checklist.html>), SharePoint site creation and configuration, and SharePoint implementation within an enterprise environment. The selected Vendor must provide an experienced website designer who will review the findings of the AOSC's most recent website audit to validate these against the current website infrastructure. The website designer should propose

website template options for the AOSC to review, preferably based upon the most up-to-date sites employed by other state judiciaries.

### Experience with Web Migration Projects

- Project Management

The selected Vendor shall be responsible for providing project management for the full duration of the project. The Vendor must ensure that the same project manager remains assigned to this project for the full duration of the project.

When the project manager must be replaced due to unforeseen circumstances or circumstances out of the control of the selected Vendor, the Vendor remains responsible to meet project schedules/planning milestones/deadlines and/or comply with any contract term.

- Project Planning

The selected Vendor shall be responsible for setting an initial project plan with milestones and deadlines, mutually agreed upon by AOSC and the Vendor. Throughout the project, the Vendor shall continuously maintain the project plan and report weekly on progress. The Vendor is required to immediately notify the AOSC whenever any milestone or deadline cannot be met, and work with the AOSC to develop options to resolve the problem(s).

- Project Staffing

The selected Vendor may only use the Vendor's own employees (those under the direct contract with Vendor) for staffing this project. Personnel assigned to this project must be able to read, write, and communicate effectively with the AOSC and staff in English.

The AOSC recognizes that the project as described in this RFP will require a multi-person staffing effort with different roles and skill sets to meet set milestones/deadlines and the agreed-upon project completion date. The selected Vendor shall be required to staff this project with both quality (employees with the required skill sets) and quantity (the required number of employees to meet milestones/deadline and the agreed-upon completion date). In addition, the selected Vendor is expected to keep project staffing consistent throughout the duration of the project. If, for any circumstance either within or outside the control of the Vendor, a project staffing change must be made, the Vendor shall be required to inform the AOSC immediately and shall remain responsible for meeting project schedules/planning milestones/deadlines and/or comply with any contract term.

Each bidding Vendor should provide the names and resumes of those employees that the Vendor would likely assign to this project, along with a detailed description of the particular role(s) each such employee would play in completing the project.

- Project Documentation

Throughout the duration of the project, the selected Vendor shall be required to fully document all work performed for the AOSC in general, and of installation and configuration changes in particular. All such documentation must be provided or made accessible to the AOSC in a format that allows the AOSC to incorporate this into the AOSC's own documentation system. Documentation is regarded as an integral part of providing services to the AOSC and is therefore a compulsory component in the completion of any work performed pursuant to this RFP.

## 2. Post-Migration Maintenance, Monitoring, and Support

Following migration of the Judiciary's current site onto a new framework, the selected Vendor is expected to provide ongoing, proactive maintenance and monitoring of and support for both the Microsoft SharePoint Technologies (2019) framework or similar software installation as well as the physical server(s) on which the software runs, to ensure the proper and continuous operation of the new website consistent with the business-critical nature of the websites. - SharePoint 2019 tuning to optimize response times and end-user experience;
- SharePoint 2019 branding and templating;
- SharePoint 2019 web part design and programming; and
- SharePoint 2019 workflow design and programming.

Such maintenance, monitoring, and support must be done with sufficient detail to ensure that any issue impacting the presentation and/or response times of the site or the individual components is immediately identified and addressed. The selected Vendor must be able to provide assistance within a reasonable timeframe depending on the priority/urgency of the issue at hand. As a rule of thumb, the following response times shall be expected:

- For issues impacting the operation of the whole main website and/or sub-sites: respond within two (2) hours;
- For issues impacting individual pages or page components (web parts):

respond within five (5) hours;

- Answering specific and immediate questions: respond within one (1) workday;
- Making minor changes with system-wide appearance: respond within two (2) workdays; and
- All other issues: respond within five (5) workdays.

In addition to the foregoing services, each Vendor is encouraged to explain in the bid any additional maintenance, monitoring, and/or support services the Vendor may be able to provide.

### **3.0 Acknowledgment of Risk and Hold Harmless Agreement**

In addition to the indemnity provisions in the General Terms & Conditions of Purchase and to the fullest extent permitted by law, the selected Vendor, its officers, agents, servants, employees, parents, subsidiaries, partners, directors, attorneys, insurers, and/or affiliates ("Releasers") agree to release, waive, discharge, and covenant not to sue the AOSC, its officers, agents, servants, and/or employees ("Releasees") from any and all liability, claims, cross-claims, rights in law or in equity, agreements, promises, demands, actions, and causes of action whatsoever arising out of or related to any loss, damage, expenses (including, without limitation, all legal fees, expenses, interest, and penalties) or injury (including death), of any type, kind, or nature whatsoever, whether based in contract, tort, warranty, or other legal, statutory, or equitable theory of recovery, which relate to or arise out of the Releasers' use of or presence in and/or on judicial property. The Releasers agree to defend, indemnify, and hold harmless the Releasees from: (a) any and all claims, loss, liability, damages, and/or costs by any person, firm, corporation, or other entity claiming by, through, or under Releasers in any capacity whatsoever, including all subrogation claims and/or claims for reimbursement (including any court costs and attorney's fees) that may incur due to Releasers' use of or presence in and on judicial property; and (b) any and all legal actions, including third-party actions, cross-actions, and/or claims for contribution and/or indemnity with respect to any claims by any other

persons, entities, or parties, which relate to or arise out of Releasors' use of or presence in and on judicial property.

The Releasors acknowledge the risks that may be involved, and hazards connected with use of or presence in and/or on judicial property but elect to provide services under a contract with the AOSC with full knowledge of such risks. Releasors also acknowledge that any loss, damage, and/or injury sustained by Releasors are not covered by Releasees' insurance. Releasors agree to become fully aware of any safety risks involved with the performance of services under any contract with the AOSC and any safety precautions that need to be followed and agree to take all such precautions.

The duty to indemnify and/or hold harmless the AOSC shall not be limited by the insurance required under the General Terms & Conditions of Purchase.

#### **4.0 Additional Insurance Requirements**

In addition to the insurance provisions in the General Terms & Conditions of Purchase, the liability insurance coverage required for performance of a contract with the AOSC, except for Professional Liability, Errors and Omissions, or Workers' Compensation insurance, shall include the AOSC, its divisions, officers, and employees as Additional Insureds, but only with respect to the selected Vendor's activities under the contract.

The insurance required through a policy or endorsement shall include:

- a. a Waiver of Subrogation waiving any right to recovery the insurance company may have against the AOSC; and
- b. a provision that the selected Vendor's insurance coverage shall be primary with respect to any insurance, self-insurance, or self-retention maintained by the State on behalf of the AOSC, and that any insurance, self-insurance, or self-retention maintained by the State on behalf of the AOSC shall be in excess of the selected Vendor's insurance and shall not contribute.

There shall be no cancellation, material change, potential exhaustion of aggregate limits, or non-renewal without thirty (30) days written notice from the selected Vendor or its insurer(s) to the Judicial Purchasing Agent. Any failure to comply with the reporting provision of this clause shall be grounds for immediate termination of the contract with the Judiciary.

Insurance coverage required under the contract shall be obtained from insurance companies acceptable to the Judiciary. The selected Vendor shall pay for all deductibles, self-insured retentions, and/or self-insurance included hereunder.

The Judicial Purchasing Agent reserves the right to consider and accept alternative forms and plans of insurance or to require additional or more extensive coverage for any individual requirement.

## 5.0 Security

During this contract, security measures will be in place at all court locations. The Vendor, its officers, agents, servants, and employees shall comply with all security measures in place at each courthouse location, including processing through metal detectors, background checks, and signing the vendor log book at each courthouse upon entry. The Vendor is responsible to inquire with the AOSC's Director of Security as to what security measures apply to the services to be provided under a contract awarded pursuant to this RFP and to advise the Vendor's officers, agents, servants, and employees accordingly. There will be **no** exceptions.

Upon award, the Vendor shall provide the AOSC's Director of Security with complete, notarized BCI Authorization and Disclaimer forms (**Appendix A**) for all of the Vendor's officers, agents, servants, and/or employees who may provide services under a contract awarded pursuant to this RFP ("Personnel"). The forms must be accompanied by copies of a valid driver's license and any other personal identifying information requested by the AOSC, such as date of birth and/or social security number. All Personnel must be cleared by the AOSC's Director of Security **before** any services under a contract awarded pursuant to this RFP may be performed. Personnel who are not on the list shall not, under any circumstances, be sent to perform such services. The Vendor is responsible to immediately inform the AOSC's Director of Security of any personnel changes.

Courthouse deliveries are only permitted between the hours of 10:00 a.m. and 2:00 p.m., Monday through Friday, unless other arrangements are made in advance. Packages will be inspected upon delivery.

No parking will be provided to the Vendor by the AOSC, except limited temporary parking for the delivery and pick up of supplies.

## 6.0 Proposal Content and Organization

Each Vendor's bid proposal must include all required elements specified in **Section 2.0 – Scope of Work**.

Pricing for this proposal must be broken down in a structured fashion to allow the AOSC to get a clear understanding of how each Vendor has determined the total cost of the project and to compare the proposals to each other. Separate pricing must be provided for the (1) Migration and (2) Maintenance, Support, and Monitoring portions of the project.

- For the Migration portion of the project:
  1. The cost proposal must be broken down into project phases.

2. For project management (if applicable), the Vendor must identify the estimated number of hours of work to be performed and the hourly rate that applies.
  3. The Vendor must specify any work that the Vendor identifies as not phase-specific, plus the number of hours of work and the hourly rate that applies.
  4. Finally, the Vendor must specify any other work, number of hours of work, and hourly rate that the Vendor identifies within the project but are not covered by the preceding items in this list.
- For the Maintenance, Support, and Monitoring portion of the project:
    1. The Vendor must identify all the roles that will be performed by each employee assigned to this portion.
    2. For each role/employee, the Vendor must identify the estimated number of hours of work to be performed and identify the hourly rate that applies.
    3. The Vendor must also identify any other applicable cost components that apply, including all one-time and yearly recurring charges.

Pricing must be indicated on the Bid Form in **Section 9.0** and **must be submitted in a separate, sealed envelope marked with the words "Pricing Proposal."** Only one pricing proposal needs to be submitted. All Bid Forms must be signed.

If applicable, the Bid Form must specify the amount of the percentage (%) over the Vendor's cost of materials (cost of materials + percentage markup = AOSC cost) that will be extended to the AOSC.

Vendors must include on the Bid Form a list of at least four (4) references\*\* for whom they have undertaken Microsoft SharePoint 2019 Technologies (or similar software) projects completed in the past two (2) years. For each reference the following information must be provided:

- A description of the project undertaken, giving a clear understanding of the scope of project, the involvement of the Vendor, the extent to which SharePoint 2019 Technologies (or similar software) was used, and the size of the SharePoint farm (if applicable);
- A breakdown of the duration of the project and the current status of the project. If the project has been completed, give the completion date; and
- A listing of the customer name, telephone number, and a contact person.

\*\*Vendors are **not** permitted to use a reference from the Rhode Island Judiciary.

Vendors must also include an overview of the company's experience including,

but not limited to, the number of years the company has been providing these services, the size of the company (including the number of employees and locations), a description of work undertaken that is similar to what is being requested in this RFP, and any other information relevant to this RFP.

Four (4) copies of your proposal must be submitted at the time of submission.

## 7.0 Evaluation Criteria

The AOSC reserves the right to award a contract pursuant to this RFP on the basis of cost alone, to accept or reject any or all proposals, and to otherwise act in the AOSC's best interest including, but not limited to, directly negotiating with any Vendor who submits a proposal in response to this solicitation and to award a contract for these services based upon the results of those negotiations alone.

Proposals found to be technically or substantially non-responsive at any point in the evaluation process will be rejected and not considered further. The AOSC may elect to require presentations(s) by Vendors in consideration for an award.

Proposals will be evaluated in two (2) phases:

1. The first phase is an initial review to determine if the proposal, as submitted, is complete. To be complete, a proposal must meet all the requirements of this solicitation.
2. The second phase is an in-depth analysis and review based on the criteria below and the associated weights.

## Appendix C

<b>RHODE ISLAND JUDICIARY GENERAL TERMS &amp; CONDITIONS OF PURCHASE</b>
--

### *Preamble*

The Judicial Purchasing Office may, from time to time, make amendments to the General Terms & Conditions of Purchase when the Judicial Purchasing Agent determines that such amendments are in the best interest of the Judiciary. Amendments shall be made available for public inspection at the Office of the Secretary of State but shall not require formal public notice and hearing. Copies of the General Terms and Conditions of Purchase shall be provided to any individual or firm requesting to become a registered bidder. Applicants shall be required, as part of the application process, to certify that they have read the General Terms and Conditions of Purchase and understand that they apply to all Judicial purchases.

### **JUDICIAL PURCHASING OFFICE GENERAL TERMS & CONDITIONS OF PURCHASE**

All Judicial contracts shall consist of the following documents: the initial request for proposals or solicitation; all Action Sheets, Purchase Orders, delivery orders, and/or service requests related thereto; the bid documents submitted by the awarded vendor; and any supplementary documents executed by the parties, where applicable. All Judicial contracts shall be subject to the provisions of § 8-15-4 of the Rhode Island General Laws and the Judicial Purchasing Rules and Regulations adopted pursuant thereto; all other applicable provisions of the Rhode Island General Laws; specific requirements described in the request or contract; and the following General Terms and Conditions of Purchase.

#### 1. GENERAL

All purchase orders, contracts, solicitations, delivery orders, and service requests are for specified goods and services, in accordance with express terms and conditions of purchase, as defined herein. For the purposes of this document, the terms "bidder" and "contractor" refer to any individual, firm, corporation, or other entity presenting a proposal indicating a desire to enter into contracts with the Judiciary, or with whom a contract is executed by the Judicial Purchasing Agent, and the term "contractor" shall have the same meaning as "vendor".

#### 2. ENTIRE AGREEMENT

The Judiciary's Purchase Order, or other Judiciary contract endorsed by the Judicial Purchasing Office, shall constitute the entire and exclusive agreement between the Judiciary and any contractor receiving an award. In the event any conflict between the bidder's standard terms of sale and these conditions, the more specific provisions contained in the solicitation shall govern.

All communication between the Judiciary and any contractor pertaining to any award or contract shall be accomplished in writing.

a. Each proposal will be received with the understanding that the acceptance, in writing, by contract or Purchase Order by the Judicial Purchasing Agent of the offer to do work or to furnish any or all the materials, equipment, supplies, or services

described therein shall constitute a contract between the bidder and the Judiciary. This shall bind the bidder on his part to furnish and deliver at the prices and in accordance with the conditions of said accepted proposal and detailed specifications, and the Judiciary on its part to order from such contractor (except in case of emergency) and to pay for at the agreed prices all materials, equipment, supplies, or services specified and delivered. A contract shall be deemed executory only to the extent of funds available for payment of the amounts shown on Purchase Orders issued by the Judiciary to the contractors.

b. No alterations or variations of the terms of the contract shall be valid or binding upon the Judiciary unless submitted in writing and accepted by the Judicial Purchasing Agent. All orders and changes thereof must emanate from the Judicial Purchasing Office; no oral agreement or arrangement made by a contractor with an agency or employee will be considered to be binding on the Judicial Purchasing Agent and may be disregarded.

c. Contracts will remain in force for the contract period specified or until all articles or services ordered before date of termination shall have been satisfactorily delivered or rendered and accepted, and thereafter until all terms and conditions have been met, unless:

1. terminated prior to its expiration date by satisfactory delivery against orders of entire quantities; or
2. extended upon written authorization of the Judicial Purchasing Agent and accepted by the contractor, to permit ordering of the unordered balances or additional quantities at the contract price and in accordance with the contract terms; or
3. canceled by the Judiciary in accordance with other provisions stated herein.

d. It is mutually understood and agreed that the contractor shall not assign, transfer, convey, sublet, or otherwise dispose of this contract or his or her right, title, or interest therein, or his or her power to execute such contract, to any other person, company, or corporation, without the previous consent, in writing, of the Judicial Purchasing Agent.

e. If, subsequent to the submission of an offer or issuance of a Purchase Order or execution of a contract, the bidder or contractor shall merge with or be acquired by another entity, the contract may be terminated by the Judicial Purchasing Office, unless a corporate resolution prepared by the contractor and the new entity ratifying acceptance of the original bid or contract terms, condition, and pricing is submitted to the Judicial Purchasing Office, and expressly accepted.

f. The contractor or bidder further warrants by submission of an offer or acceptance of a Purchase Order or other contract that he has no knowledge at the time of such action of any outstanding and delinquent or otherwise unsettled debt owed by him to the Judiciary, and agrees that later discovery by the Judicial Purchasing Agent that this warranty was given in spite of such knowledge, except where the matter is pending in hearing or from any appeal therefrom, shall form reasonable grounds for termination of the contract.

### 3. SUBCONTRACTS

No subcontracts or collateral agreements shall be permitted, except with the Judiciary's express written consent. Upon request, contractors must submit to the Judicial

Purchasing Office a list of all subcontractors to be employed in the performance of any Purchase Order or other contract arising from the request or contract.

Should the vendor choose to engage any subcontractors, the vendor shall, in accordance with § 37-13-5 of the Rhode Island General Laws and other applicable state law, make prompt payment for satisfactory subcontract work for which the Judiciary has made partial or full payment. The Judiciary reserves the right to suspend, debar, or otherwise remove from the approved bidders list any vendor who repeatedly fails to make such prompt payments to its subcontractors.

#### 4. RELATIONSHIP OF PARTIES

The contractor or bidder warrants, by submission of an offer or acceptance of a Purchase Order or other contract, that he is not an employee, agent, or servant of the Judiciary, and that he is fully qualified and capable in all material regards to provide the specified goods and services. Nothing herein shall be construed as creating any contractual relationship or obligation between the Judiciary and any sub-bidder, subcontractor, supplier, or employee of the contractor or offeror.

#### 5. COSTS OF PREPARATION

All costs associated with the preparation, development, or submission of bids or other offers will be borne by the offeror. The Judiciary will not reimburse any offeror for such costs.

#### 6. SPECIFIED QUANTITY REQUIREMENT

Except where expressly specified to the contrary, all solicitations and contracts are predicated on a specified quantity of goods or services, or for a specified level of funding.

a. The Judiciary reserves the right to modify the quantity, scope of service, date of delivery or completion, or funding of any contract, with no penalty or charge, by written notice to the contractor, except where alternate terms have been expressly made a part of the contract.

b. The Judiciary shall not accept quantities in excess of the specified quantity except where the item is normally sold by weight (where sold by weight, the Judiciary will not accept quantities greater than ten percent (10%) of the specified quantity), or where the request or contract provides for awards for other than exact quantities.

c. Purchase Orders or other contracts may be increased in quantity or extended in term without subsequent solicitations with the mutual consent of the contractor and the Judiciary, and where determined by the Judicial Purchasing Agent to be in the Judiciary's best interest.

#### 7. TERM AND RENEWAL

Where offers have been requested or contracts awarded for terms exceeding periods of twelve (12) months, it is mutually understood and agreed that the Judiciary's commitment is limited to a base term not to exceed twelve (12) months, subject to renewal annually at the Judiciary's sole option for successive terms as otherwise described, except where expressly specified to the contrary. Purchase Orders appearing to commit to obligations of funding or terms of performance may be executed for administrative convenience, but are otherwise subject to this provision, and in such cases the Judiciary's renewal shall be deemed to be automatic, conditional on the continued

availability of appropriated funds for that purpose, except as written notice of the Judiciary's intent not to renew is served.

8. DELIVERY/COMPLETION

Delivery must be made as ordered and/or projects completed in accordance with the proposal. If delivery qualifications do not appear on the bidder's proposal, it will be interpreted to mean that goods are in stock and that shipment will be made within seven (7) calendar days. If the project completion date is not specified in the proposal, the date shall be determined by the Judicial Purchasing Agent. The decision of the Judicial Purchasing Agent, as to reasonable compliance with the delivery terms and date of completion, shall be final. The burden of proof of delay in receipt of an order shall rest with the contractor. No delivery charges shall be added to invoices except when authorized on the Purchase Order.

9. FOREIGN CORPORATIONS

In accordance with § 7-1.2-1401 of the Rhode Island General Laws, no foreign corporation shall have the right to transact business in this state until it shall have procured a certificate of authority so to do from the Secretary of State.

10. PRICING

All pricing offered or extended to the Judiciary is considered to be firm and fixed unless expressly provided for to the contrary. All prices shall be quoted F.O.B. Destination with freight costs included in the unit cost to be paid by the Judiciary, except that, where the request or contract permits, offers reflecting F.O.B. Shipping Point will be considered, and freight costs may then be prepaid and added to the invoice.

11. COLLUSION

Bidder or contractor warrants that he or she has not, directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of full competitive bidding. In special circumstances, an executed affidavit will be required as a part of the bid.

12. PROHIBITION AGAINST CONTINGENT FEES AND GRATUITIES

Bidder or contractor warrants that he or she has not paid, and agrees not to pay, any bonus, commission, fee, or gratuity to any employee or official of the Judiciary for the purpose of obtaining any contract or award issued by the Judiciary. Bidder or contractor further warrants that no commission or other payment has been or will be received from or paid to any third-party contingent on the award of any contract by the Judiciary, except as shall have been expressly communicated to the Judicial Purchasing Agent in writing prior to acceptance of the contract or award in question. Subsequent discovery by the Judiciary of violation of or non-compliance with these provisions shall constitute sufficient cause for immediate termination of all outstanding contracts and suspension or debarment of the bidder(s) and/or contractor(s) involved.

13. AWARDS

Awards will be made with reasonable promptness and by written notice to the successful bidder (only); bids are considered to be irrevocable for a period of sixty (60) days following the bid opening unless expressly provided for to the contrary in the request

and may not be withdrawn during this period without the express written permission of the Judicial Purchasing Agent.

a. Awards shall be made to the bidder(s) whose offer(s) constitutes the lowest responsive price offer (or lowest responsive price offer on an evaluated basis) for the item(s) in question or for the request as a whole, at the option of the Judiciary. The Judiciary reserves the right to determine those offers which are responsive to the request, or which otherwise serve its best interests.

b. The Judiciary reserves the right, before making any award, to initiate investigations as to whether or not the materials, equipment, supplies, qualifications, or facilities offered by the bidder meet the requirements set forth in the proposal and specification and are ample and sufficient to insure the proper performance of the contract in the event of award. If, upon such examination, it is found that the conditions of the proposal are not complied with or that articles or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications or facilities are not satisfactory, the Judiciary may reject such a bid. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Judiciary to make any examinations before awarding a contract; and it is further understood that if such examination is made, it in no way relieves the contractor from fulfilling all requirements and conditions of the contract.

c. Qualified or conditional offers which impose limitations of the bidder's liability or modify the requirements of the bid, offers for alternate specifications, or offers which are made subject to different terms and conditions than those specified by the Judiciary may, at the option of the Judiciary, be:

1. rejected as being non-responsive; or
2. set aside in favor of the Judiciary's terms and conditions (with the consent of the bidder); or
3. accepted, where the Judicial Purchasing Agent determines that such acceptance best serves the interests of the Judiciary.

Acceptance or rejection of alternate or counter-offers by the Judiciary shall not constitute a precedent which shall be considered to be binding on successive solicitations or procurements.

d. Bids submitted in pencil, or which do not bear an original signature, in ink, by an owner or authorized agent thereof, will not be accepted.

e. Bids must be extended in the unit of measure specified in the request. In the event of any discrepancy between unit prices and their extensions, the unit price will govern.

f. The Judicial Purchasing Agent reserves the right to determine the responsibility of any bidder for a particular procurement.

g. The Judicial Purchasing Agent reserves the right to reject any and all bids in whole or in part, to waive technical defects, irregularities, and omissions, and to give consideration to past performance of the offerors where, in his or her judgment, the best interests of the Judiciary will be served by so doing.

h. The Judicial Purchasing Agent reserves the right to make awards by items, group of items, or on the total low bid for all the items specified as indicated in the

detailed specification, unless the bidder specifically indicates otherwise in his or her bid.

i. Preference may be given to bids on products raised or manufactured in the State of Rhode Island, and/or to bids from vendors whose headquarters or primary place of business is located within the state.

j. The impact of discounted payment terms shall not be considered in evaluating responses to any request.

k. The Judicial Purchasing Agent reserves the right to act in the Judiciary's best interests regarding awards caused by clerical errors by the Judicial Purchasing Office.

#### 14. SUSPENSION AND DEBARMENT

The Judicial Purchasing Agent may suspend or debar any vendor or potential bidder, for good cause shown:

a. A debarment or suspension against a part of a corporate entity constitutes debarment or suspension of all of its divisions and all other organizational elements, except where the action has been specifically limited in scope and application, and may include all known corporate affiliates of a contractor, when such offense or act occurred in connection with the affiliate's performance of duties for or on behalf of the contractor, or with the knowledge, approval, or acquiescence of the contractor or one or more of its principals or directors (or where the contractor otherwise participated in, knew of, or had reason to know of the acts).

b. The fraudulent, criminal or other serious improper conduct of any officer, director, shareholder, partner, employee, or any other individual associated with a contractor may be imputed to the contractor when the conduct occurred in connection with the individual's performance of duties for or on behalf of the contractor, or with the contractor's knowledge, approval, or acquiescence. The contractor's acceptance of benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

c. A vendor or contractor who knowingly engages as a subcontractor for a contract awarded by the Judiciary a vendor or contractor then under a ruling of suspension or debarment by the Judiciary shall be subject to disallowance of cost, annulment or termination of award, issuance of a stop work order, or debarment or suspension, as may be judged to be appropriate by the Judicial Purchasing Agent.

#### 15. PUBLIC RECORDS

Contractors and bidders are advised that certain documents, correspondence, and other submissions to the Judicial Purchasing Office may be voluntarily made public by the Judiciary absent specific notice that portions of such submittals may contain confidential or proprietary information, such that public access to those items should be withheld.

#### 16. PRODUCT EVALUATION

In all specifications, the words "or equal" are understood after each article when manufacturer's name or catalog are referenced. If bidding on items other than those specified, the bidder must, in every instance, give the trade designation of the article, manufacturer's name, and detailed specifications of the item the bidder proposes to furnish; otherwise, the bid will be construed as submitted on the identical commodity

described in the detailed specifications. The Judicial Purchasing Agent reserves the right to determine whether or not the item submitted is the approved equal to the item detailed in the specifications.

a. Any objections to specifications must be filed by a bidder, in writing, with the Judicial Purchasing Agent at least ninety-six (96) hours before the time of bid opening to enable the Judicial Purchasing Office to properly investigate the objections.

b. All standards are minimum standards except as otherwise provided for in the request or contract.

c. Samples must be submitted to the Judicial Purchasing Office in accordance with the terms of the proposals and detailed specifications. Samples must be furnished free of charge and must be accompanied by descriptive memorandum invoices indicating whether or not the bidder desires their return and specifying the address to which they are to be returned (at the bidder's risk and expense), provided they have not been used or made useless by tests; and absent instructions, the samples shall be considered to be abandoned. Award samples may be held for comparison with deliveries.

d. All samples submitted are subject to test by any laboratory the Judicial Purchasing Agent may designate.

#### 17. PRODUCT ACCEPTANCE

All merchandise offered or otherwise provided shall be new, of prime manufacture, and of first quality unless otherwise specified by the Judiciary. The Judiciary reserves the right to reject all nonconforming goods, and to cause their return for credit or replacement, at the Judiciary's option. Contract deliverables specified for procurements of services shall be construed to be work products, and subject to the provisions of this section.

a. Failure by the Judiciary to discover latent defect(s) or concealed damage or non-conformance shall not foreclose the Judiciary's right to subsequently reject the goods in question.

b. Formal or informal acceptance by the Judiciary of non-conforming goods shall not constitute a precedent for successive receipts or procurements.

c. Where the contractor fails to promptly cure the defect or replace the goods, the Judiciary reserves the right to cancel the Purchase Order, to contract with a different contractor, and to invoice the original contractor for any differential in price over the original contract price.

d. When materials, equipment, or supplies are rejected, the same must be removed by the contractor from the premises of the Judiciary within forty-eight (48) hours of notification. Rejected items left longer than two (2) days will be regarded as abandoned and the Judiciary shall have the right to dispose of them as its own property.

#### 18. PRODUCT WARRANTIES

All product or service warranties normally offered by the contractor or bidder shall accrue to the Judiciary's benefit, in addition to any special requirements which may be imposed by the Judiciary. Every unit delivered must be guaranteed against faulty material and workmanship for a period of at least one (1) year unless otherwise specified, and the Judiciary may, in the event of failure, order its replacement, repair, or return for full credit, at its sole option.

## 19. PAYMENT

In general, payment shall not be made until delivery has been made, or services performed, in full, and accepted. Generally, payment shall not be due prior to thirty (30) working days following the latest of completion, acceptance, or the rendering of a properly submitted invoice.

a. Payment terms other than the foregoing may be rejected as being nonresponsive.

b. No partial shipments, or partial completion will be accepted, unless provided for by the request or contract.

c. Where a question of quality is involved, or failure to complete a project by the specified due date, payment in whole or part against which to charge back any adjustment required shall be withheld at the direction of the Judicial Purchasing Agent. In the event a cash discount is stipulated, the withholding of payments, as herein described, will not deprive the Judiciary from taking such discount.

d. Payments for used portions of inferior delivery or late delivery will be made by the Judiciary on an adjusted price basis.

e. Payments on contracts under architectural or engineering supervision must be accompanied by a Certificate of Payment and Statement of Account signed by the architect or engineer and submitted to the Judicial Purchasing Office for approval.

f. Invoices must be submitted in a timely manner in accordance with the terms of the governing Purchase Order, Request for Proposal, or Master Price Agreement, or, where no specific time period is provided, by no later than thirty (30) days after the date on which delivery was made or services rendered. Failure to submit invoices in accordance with this section may constitute noncompliance and may result in non-payment of such invoices due to the unavailability of appropriated funds beyond the applicable fiscal year.

## 20. THIRD PARTY PAYMENTS

The Judiciary recognizes no assigned or collateral rights to any purchase agreement except as may be expressly provided for in the bid or contract documents and will not accede to any request for third party or joint payment(s), except as provided for in specific orders by a court of competent jurisdiction, or by express written permission of the Judicial Purchasing Agent. Where an offer is contingent upon such payment(s), the offeror is obligated to serve affirmative notice in his or her bid submission.

## 21. SET-OFF AGAINST PAYMENTS

Payments due the contractor may be subject to reduction equal to the amount of unpaid and delinquent state taxes (or other just debt owed to the State), except where notice of delinquency has not been served, or while the matter is pending in hearing or from any appeal therefrom.

## 22. CLAIMS

Any claim against a contractor may be deducted by the Judiciary from any money due him in the same or other transactions. If no deduction is made in such fashion, the contractor shall pay the Judiciary the amount of such claim on demand. Submission of a voucher and payment thereof by the Judiciary shall not preclude the Judicial Purchasing Agent from demanding a price adjustment in any case when the commodity delivered is later found to deviate from the specifications and proposal.

a. The Judicial Purchasing Agent may assess dollar damages against a vendor or contractor determined to be non-performing or otherwise in default of their contractual obligations equal to the cost of remedy incurred by the Judiciary and make payment of such damages a condition for consideration for any subsequent award. Failure by the vendor or contractor to pay such damages shall constitute just cause for disqualification and rejection, suspension, or debarment.

#### 23. CERTIFICATION OF FUNDING

The Chief Purchasing Officer shall provide certification as to the availability of funds to support the procurement for the current fiscal year ending June 30th only. Where delivery or service requirements extend beyond the end of the current fiscal year, such extensions are subject to both the availability of appropriated funds and a determination of continued need.

#### 24. UNUSED BALANCES

Unless otherwise specified, all unused Blanket Order quantities and/or unexpended funds shall be automatically canceled on the expiration of the specified term. Similarly, for orders encompassing more than one fiscal year, unexpended balances of funding allotted for an individual fiscal year may be liquidated at the close of that fiscal year, at the Judiciary's sole option.

#### 25. MINORITY BUSINESS ENTERPRISES

Pursuant to the provisions of Title 37 Chapter 14.1 of the Rhode Island General Laws, the Judiciary reserves the right to apply additional consideration to offers, and to direct awards to bidders other than the responsive bid representing the lowest price, where:

- a. the solicitation provides for such consideration; and
- b. the offer is fully responsive to the terms and conditions of the request; and
- c. the price offer is determined to be within a competitive range (not to exceed five per cent (5%) higher than the lowest responsive price offer) for the product or service; and
- d. the firm making the offer has been certified by the Rhode Island Department of Economic Development to be a small business concern meeting the criteria established to be considered a Minority Business Enterprise. Ten per cent (10%) of the dollar value of the work performed against contracts for construction exceeding \$10,000 shall be performed by Minority Business Enterprises where it has been determined that subcontract opportunities exist, and where certified Minority Business Enterprises are available. A contractor may count towards its MBE, DBE, or WBE goals sixty per cent (60%) of its expenditures for materials and supplies required under a contract and obtained from an MBE, DBE, or WBE regular dealer, and one-hundred per cent (100%) of such expenditures when obtained from an MBE, DBE, or WBE manufacturer. Awards of this type shall be subject to approval, by the Chief Purchasing Officer, of a Subcontracting Plan submitted by the bidder receiving the award; and
- e. the firm making the offer specifies in its offer that it conforms to the definition of a Minority Business Enterprise; and
- f. the firm making the offer submits with its offer documentation from the Rhode Island Department of Economic Development showing that it has been certified as a Minority Business Enterprise.

## 26. VETERAN-OWNED BUSINESS ENTERPRISES

Pursuant to the provisions of Title 37 Chapter 14.3 of the Rhode Island General Laws, the Judiciary reserves the right to apply additional consideration to offers, and to direct awards to bidders other than the responsive bid representing the lowest price, where:

- a. the solicitation provides for such consideration; and
- b. the offer is fully responsive to the terms and conditions of the request; and
- c. the price offer is determined to be within a competitive range (not to exceed five per cent (5%) higher than the lowest responsive price offer) for the product or service; and
- d. the firm making the offer has been certified by the Rhode Island Department of Economic Development to be a small business concern meeting the criteria established to be considered a Veteran-Owned Business Enterprise. Three per cent (3%) of the dollar value of the work performed against contracts for construction exceeding \$10,000 shall be performed by Veteran-Owned Business Enterprises where it has been determined that subcontract opportunities exist, and where certified Veteran-Owned Business Enterprises are available. Awards of this type shall be subject to approval, by the Chief Purchasing Officer, of a Subcontracting Plan submitted by the bidder receiving the award; and
- e. the firm making the offer specifies in its offer that it conforms to the definition of a veteran-owned business enterprise; and
- f. the firm making the offer submits with its offer documentation from the Rhode Island Department of Economic Development showing that it has been certified as a veteran-owned business enterprise.

## 27. PREVAILING WAGE REQUIREMENT
