AMENDED DECISION

CLIFTON, J. This amended decision is being filed to correct a sentence as it appears on Page 13 in the Decision filed on May 27, 2010. The sentence read as follows:

The Cavanaugh appellant, however, because in Cavanaugh, “appellant unlike Appellant here, “had an opportunity to ‘challenge and offer evidence to disprove the Commissioners [sic] investigative report, if any, *at an Administrative hearing.*’” Id. at 12 (emphasis in original).

That sentence should read as:

The Cavanaugh appellant, however, “had the opportunity to ‘challenge and offer evidence to disprove the Commissioners [sic] investigative report, if any, *at an Administrative hearing.*’” Id. at 12 (emphasis in original).

The remaining contents of the original Decision filed on May 27, 2010 remain the same.
